## Food & Beverage

Our clients invest a lot of time and money on their events, so it is very important to us that the caterer selected is trusted to deliver great service from the planning stages to the food quality, presentation, execution and clean up.

Our caterers know the ins and outs of our facility, are consistent, understand our policies and are trusted to take excellent care of our customers. ***For this reason and more, we do ask that our clients choose one of the caterers from our carefully selected vendor list for their event food needs.***

Our list of ten caterers offer a wide range of affordable options for every taste and budget. A number of the caterers offer an optional bar package with their services, making it even easier to plan your day with a single contact for food and beverage.

You can also opt to use a separate beverage service/bartending company, in which case, we highly recommend utilizing our list. It is required that the company used is insured with licensed bartenders and understands the *rules and procedures* of the Riviera Ballroom. ***Please note, The Riviera does not own a liquor license, so we cannot allow cash bars (or drink tickets) on-site. All alcoholic beverages are required to be hosted/provided free of charge at the event for the guests.***
